

Appointment of representative

This form gives or takes away the right of a Representative (a person with legal permission) to act on my behalf and make choices about my non-emergent medical transportation (NEMT) trips. Their choices will be like I'm making the choices myself. This person may receive my trip details from NW Rides. They may work with NW Rides and its partners to make choices about my NEMT benefit. This includes sharing my health details with NW Rides to schedule, cancel or adjust my trip. This person may handle payment details, request public transit fare, change address and other contact info, work with my care team, request special help for me, or assist with my NEMT benefit. This person may receive details about sensitive topics, such as trip details related to treatment for drugs and alcohol, mental health, HIV, or abortion.
