

Clatsop County Community Advisory Council Minutes

Tuesday, October 6, 2020, 5:00-6:30 pm

Meeting was called to order at 5:03. Approved minutes and agenda; did introductions.

Providence presented a Large Grant proposal regarding diabetes intervention and prevention called PRODUCE-ing Health. This includes access to food, nutrition education, online cooking education, access to recreation and exercise, and exercise education.

IA Update: Joell shared current COVID data for the region; Clatsop County has been added to OHA Watch List. Flu shots are especially important this year, to free up hospital beds for COVID, and prevent getting both illnesses. Clatsop County's 25% positivity rate is a major factor in deciding about in-person school.

Ombuds Program: Intersects frequently with OHP members; walks alongside them and takes issues to OHA. Community Partner and Outreach Program (CPOP) has navigators and assisters to help members with OHP issues, warm referrals, and Social Determinants of Health issues.

SOAR: Due to time constraints, this was tabled until the November meeting.

New Business/Announcements: Member is starting a local Autism Resource Center.

Meeting adjourned at 6:38pm.

Next Meeting: **Tuesday, November 3, 2020, 5-6:30pm**
