*Community Advisory Council Minutes Summary*

*5:00-7:00 pm*

The meeting was not called to order for at starting time a quorum was not met. The Coordinator gave the Council a brief update on Healthy Hearts, that we are actively recruiting for the program and starting December 1.

The Innovator Agent updated the Council with notables from the state level. The plan for CCO 2.0 was shared with a detailed timeline to the group. It was discussed that this will be the greatest budget proposal that the state has ever received, and even though there may be changes to CCO's across the state, the IA doesn't anticipate big changes in the Columbia Pacific region.

The Council then screened the documentary "Suicide: The Ripple Effect," the story of Kevin Hines and his attempt of suicide on the Golden Gate bridge, and the incredible work he has been able to do since around reducing suicide stigma and prevention.
