Agenda & Minutes Approval Tabled until Quorum Achieved

Hybrid Meeting/Housekeeping Slides: Staff presented slides

CAC Learning Theme: Staff presented and reviewed the Health Equity Impact Statement, the 8 priority areas, the 6 that were chosen by the 3 CAC's (community resilience & trauma informed care, suicide prevention, access to care/primary care providers, access to care/mental health, access to social safety net & housing) purpose, impact, vision and what the next steps look like.

Regional Health Assessment (RHIP): Staff reviewed the plan and process. Group was reminded that it is a 5 year plan. We are currently tying up all the pieces so we can begin a new 5 year plan. The different roles for CAC, community based organizations, public & mental health organizations were reviewed. The phases of the Assessment are planning, implementation, assessment, evaluation and prioritization.

Agenda & Minutes Approval. A quorum was reached so the Chair asked for approval of the 1-10-23 agenda, approved 3-0 and the Nov 1, 2022 minutes, which were approved 3-0.

Innovator Agent Update: Agent gave the CAC updated from OHA. Due to a new Governor in Oregon OHA has many leadership staffing changes. Agent reviewed new COVID-19 boosters for children 6 months through 4 years, how to seek care for children who may have RSV, reminded everyone that the deadline for open enrollment for private health insurance is Jan 15, 2023 and announced 3 opportunities to provide feedback to OHA about Applied Behavior Analysis (ABA). New OHP Benefits that rolled out Jan 1, 2023 were discussed; medically necessary and appropriate services for children until they are 21 regardless of the priority list, raise in rates for doulas, and the Veterans Dental Program.

Meeting Survey Results. Staff reviewed the survey regarding meeting times and in-person, zoom & hybrid options. 2 people participated.

Community Check In: Members had the opportunity to share information or ask questions of others in the group.
