

Clatsop Community Advisory Council Minutes

Tuesday February 06, 2024 4:30-6:30pm

Members Present: 4 members present.

Staff Present: 8 staff present.

Guests Present: OHA Innovator & 4 guests present.

Staff called meeting to order at 4:30pm. This is a special Community Input Meeting for the Regional Health Improvement Plan for 2025-2030. All participants welcomed. Minutes for the Jan 2024 will be deferred to the March meeting.

Background: OHA requires a community health improvement plan be written every 5 years. The plan must have input from the community it represents. It must look at where the focus has been and the need.

Staff presented a slide show (attached) outlining the history & background of the RHIP process, how we respond to community need, demographics of the area, strategies & observations, categories, opportunities, perspectives, what has been done in each of the 7 identified areas. They discussed what could be done and then gave the group the opportunity to vote for which 3 of the 7 categories were the most important over the next 5 years.

Voting Results for Identified Areas 1 = highest ranking

1. Housing & Houselessness
2. Healthy Children & Youth
3. Whole Person Care
4. Behavioral Health
5. Equitable Food Systems
6. Community Empowerment
7. Culturally Responsive Care

Two more Community Input sessions will be presented at Job Corps on Feb 08th and at the CHART meeting on Feb 14.

Innovator Agent Report: Agent emailed a report to members so we could stay focused on the Community Input Session.

Community Check-In: Refreshments were provided so that members and guests mingle and have could have time to talk.

Meeting Adjourned 6:32pm
