

Columbia County Community Advisory Council Draft Minutes

Monday, June 3, 2024

3:00-5:00PM

Hybrid Meeting

Meeting started at 3:00, facilitated introductions and asked for approval of the minutes for the month of June.

Learning Theme: Regional Care Team (RTC):

Provides Care Coordination for OHP member, they provide system navigation and connecting to the right services and providers across systems and address other social health needs such as appropriate community and social services, resource, and support. We have a Healthcare Coordinator who is first point of contact. All referrals get triaged to care coordinators and other resources. We have community-based service providers embedded in clinics in each county.

When doing a referral write as many notes as possible to clarify the need of the member.

Referring to CPCCO Regional Care team can be done by submitting a completed Care Coordination Referral form. Email referral to cereferral@careoregon.org Fax completed form to 503.416.3676 or call the RCT team directly at 503-503-416-3743.

Community Wellness Investment Fund (CWIF) Update: CPCCO Grant opportunities are open now, CWIF is 25K and under. Applications for 2024 grants will focus on eight CPCCO Regional Improvement Plan priority areas. Deadline is July 12, 2024. Volunteers are Holly, Dennis, Janelle, and Yesenia.

Demographic Report: (Teresa) Final Review of the Demographic Report.

The report demonstrates how we are representing the diversity within each community. We reviewed the structure of the organization and governance: Local CAC's, Regional CAC, Board of Directors, and Clinical Advisory Panel. Most members responded to the survey that helped gather ages, race, ethnicity, language, functional diversity, gender identity and diverse life experience in the Columbia County CAC.

RHIP Update (Teresa): RHIP has been written, copy edited and the first review for the Regional Advisory Council will be on June 18, 2024. Once it has been approved by the RCAC, it will be submitted to OHA and once the member-facing version is available on the website, the CACs will review.

IA Update: Belle provided an update on respiratory viruses in Oregon, influenza community transmission is decreasing following a second wave that began in March. Please throw out mussels harvested from Rock State Park north to the Washington border. OHP member, we want to get your feedback about what is important to fully support your health and wellness. We also want to hear your ideas about how to make sure OHP members are getting high-quality care. your health care services.
