OHA will be discussing these concept papers and their themes in a variety of settings. The public is invited to give input at these events.

**Annual Community Health Improvement Plan Update:**

Overview of the draft of the annual CHIP report to the group. Sections included Community Resilience and Trauma Informed Care, Primary Care (access to care), Primary Care (access to care) Oral Health & Dental Care (access to care) Social Safety Net (access to care) Chronic Disease Prevention, Suicide Prevention and Housing. We will continue to seek feedback from the CACs as we update OHA on the work. Details progress to date towards meeting the CHIP metrics and indicators for each health priority. This draft will go to the RCAC for final approval.

**Equity Learning Theme: Health Data:** Reviewed health data, with an emphasis on COVID vaccines and chronic health conditions. Statewide, OHP members are vaccinated at lower rates than the rest of the population. COVID has made some differences and inequities around race, chronic conditions, and environment more visible. The overview of data about health status or health outcomes was helpful to see the differences or imbalances between groups of people in each community.

**Demographic Survey:**

Demographic Survey is a requirement by OHA, and we are committed to do it in a thoughtful manner for those who would like to complete it. Survey was reviewed meeting adjourned 15 minutes early to allow members time to complete and submit.

**Next meeting:** July 12, 2021

Meeting adjourned at 4:45.
