Community Advisory Council Partnership Letter for CCO 2.0 and State Readiness Review:

Nancy presented a letter that compiled discussions from all 3 CACs in April and May of this year on what it means to be a community partner with Columbia Pacific CCO. The letter was sent to CAC members for review and co-chairs will sign to submit the letter to the state as part of the readiness review.

Story collection (housing): Nancy and Heather presented info from the Story Collection project with an emphasis on housing (per CAC request). The CAC reviewed the narratives and identified themes.

Behavioral Health Transition Update: Nancy updated the group on the status of Columbia Pacific taking over the behavioral health benefit. It is currently transitioning over and they are really trying to work on stepping up care coordination. CAC members were encouraged to let staff know if they see barriers with the transition or with customer service.

Regional Health Improvement Plan (RHIP) Update: The RHIP has been finalized and was submitted to the state. Community Wellness Investment Fund Request for Proposals will be released on July 29th to align with the release of the RHIP.

CAC Learning Theme: The CAC decided to expand the learning series themes to 6-months and voted on topics to prioritize in the next year.
