

Tillamook County Community Advisory Council

Wednesday, April 22, 2020, 3:00 -4:00 pm

AGENDA ITEMS:

Our first virtual meeting called to order at 3:00pm by Chair. We gave people time to connect to the meeting, then approved the agenda. We did a brief check in to see how people were doing.

IA Update:

Joell shared that the Oregon Health Authority leadership has announced that we may have had our COVID19 "peak" 10 days ago. She provided state and local statistics on the virus and we discussed upcoming issues around "reopening the state."

New business/Announcements:

Guest requested that we address issues around congregate care, specifically for the mental health population. The CCO Board of Directors has approved \$500,000 for emergency funding for local community agencies who are part of our social safety net or are helping with the COVID effort who themselves need help to keep doors open and programs running. We are developing a list of local COVID19 resources.

Meeting ended at 5:06pm. **Next meeting is April 29, 2020 from 3-4pm**
