

## *Tillamook County Community Advisory Council*

*Wednesday, May 12, 2021 3:00 -5:00pm*

### **AGENDA ITEMS:**

Meeting called to order at 3:02pm by Chair. Approved minutes and agenda, and did introductions, using a check in question: “Why do you live in Tillamook County, what do you love about it, and what do you sometimes wish were different?”

**CAC Demographics data:** Heather presented the CAC Demographics survey, which is intended to collect information about if our CAC memberships accurately reflects the demographics of our community. After further review by a CAC member request, we will send out the link.

**RHIP Annual Update review:** Reviewed the OHA requirements for the CCOs, reviewed our progress, and how we are aligned to the SHIP (State Health Improvement Plan).

**IA Update:** Joell presented a PowerPoint with updates on COVID, particularly on risk rates and vaccination. The Emergency Broadband Benefit program opened today, to help pay for services and equipment for people who qualify based on income.

**Community Check-in:** Reminder of upcoming CAC Conference on 6/8-9. Discussion about how to encourage folks to get vaccinated.

Meeting ended at 4:48pm. **Next meeting is June 9, 2021 from 3-5pm**

### **Rapid Feedback Results for May 12, 2021: RHIP/CAC Demographics**

#### Objectives:

- 1) Create process to collect qualitative and quantitative data to identify effectiveness of community advisory council agendas and related activities.
- 2) Create opportunities for advisory council members to share views and experiences related to health and the health care system.

- 3) Have an average score of 4 (quite a bit) in the four categories of evaluation (value of session, practical application, knowledge gained, enough opportunities to share my views and ask questions)
- 4) Use information gained to reflect on findings, brainstorm ways to refine advisory council best practice framework process and to quickly implement changes.
- 5) Use information gained to inform the CPCCO Board of Directors of member advice and experiences of health and the healthcare system.
