

Insurance Coverage for Substance Use Treatment

When a Columbia Pacific CCO health plan member who is facing a substance use disorder wants treatment, we are ready to help. Columbia Pacific CCO covers a range of services, and can also provide the transportation to get there.

Example Covered Services

- Outpatient Therapy
- Medication Assisted Treatment, also known as Medication Supported Recovery
- Detox
- Inpatient or Outpatient Treatment
- Recovery supports

About Referrals

You do not need a referral to get outpatient alcohol or drug treatment services or detox when you use providers from our Online Provider Directory.

Important Note

If someone needs detox or inpatient treatment and there are no beds available in our service area, health plan members may seek treatment anywhere in the state with open beds and be transported there at no cost.
