Move forward with your life

Call us for a one-hour briefing on our program to see if it is right for you. Next, you'll meet with a pain specialist and get more details about our 10-week program.

You still see your own doctor, who prescribes for you, and we'll help you strengthen that relationship.

Our experienced clinical staff have a variety of specialties and a deep background in pain treatment.

People just like you find relief

"Everyone here understands."

"Taking this class was the best decision I ever made."

"I learned things I will use for the rest of my days."
